19. [BIDEN IMMIGRANTS] As President, Joe Biden has promised to immediately reverse the Trump Administration’s immigration policy that separates children from their parents, to protect DREAMers and their families, and modernize the immigration system by working with Congress to establish a path to citizenship for the 11 million undocumented immigrants working and living in the United States.

He has continued the cruel and unnecessary policy of separating families at the border, locking up blameless children in cages, and ending protections for DREAMers. Our country deserves an immigration policy that reflects our values, solves problems, and treats people with basic human dignity.

With all that's going on, we should be spending money on helping small businesses get by and helping people who have lost their jobs. Yet Trump keeps pushing ahead with his wasteful obsession with building the wall, including wasting \$500 million just to paint the wall black.

29. [IF STATE=FL] As Florida faces a surge in coronavirus cases, Republican Governor Ron DeSantis announced a \$30 million cut in funding for online education programs that K-12 and college-level students have come relied on during this health crisis. It is no coincidence this was done in response to Trump’s relentless push for opening schools in the Fall despite schools not being ready to ensure a safe environment. DeSantis’ latest COVID response will place thousands of children and families at risk, all for the sake of standing by Trump.

31. Time and time again, we have seen Trump act like an authoritarian leader. In recent months, thousands of Americans protested against police brutality and racism. Instead of looking for ways to address the concerns at the heart of the protests, Trump ordered federal agents into cities to stop the protests, pull protestors off the streets, and detain them for no reason. Just like an authoritarian, Trump tried to silence those who disagree with him and ignored the fact that protest is a constitutionally-protected right in America.
