Q38. SECURITY V. FAIRNESS IN IMMIGRATION REFORM																							
A Democratic candidate who believes that we need to build an immigration system that is fair, orderly, and well-regulated. This means we create a line to get into for those without papers who want to become citizens, and we create a legal immigration system that treats immigrant children and families humanely and in a way that is in line with American values.	37%	34%	40%	43%	35%	31%	42%	32%	37%	30%	46%	33%	34%	43%	31%	39%	37%	47%	35%	30%	32%	27%	49%
A Democratic candidate who believes we must work across party lines to pass comprehensive immigration reform, but in doing so we must keep our communities safe and secure.
