Q28. GOP McSally has a hist of supp anti-immig pol that harm comms here in AZ. 2018, her camp was funded by private prison comps that op immig det centers. when she visited a temp migrant facility in Yuma, she claimed "kids watching cartoons and playing" and "people were sitting comf with food and water in comf temps." The reality is that the kids in these detention centers report being held in overcrowded and unsanitary cond days on end. Does this make you more/less likely to support Martha McSally?

Q31. The attacks against Mark Kelly are simply false. He supports welcoming immigrants through a fair process and enforcing immigration laws in a humane manner. The idea that Kelly supports open borders and abolishing ICE is just a lie. We are facing so many problems in this country, and these attacks do nothing to fix them. Instead, they just mislead and scare people. Having read this, does this make you more likely, or less likely to support Mark Kelly?

Q35. Kelly takes public health seriously and understands the devastating impact that the CV pandemic has had on comms in AZ. Mark is in full support of ensuring that everyone has access to testing, including immigs regardless of status. He has stated that the gov needs to "have the community's backs, which means direct aid and support and a plan based on science, data, and facts to stop the spread of this virus." Having read this, does this make you more likely, or less likely to support Mark Kelly?
