ROTATE 25/26

25. Mark Kelly believes that we need a strong, secure border and to fix our broken immigration system, that includes more investments in technology, well-staffed ports of entry and border patrol agents, and, where effective, physical barriers and fencing. Mark supports protecting DREAMers – including the more than 25,500 individuals who call Arizona home – who were brought here as children, have been educated here, and played by the rules. In 2018, her campaign was funded by private prison companies that operate immigrant detention centers. When she visited a temporary migrant facility in Yuma, she claimed she saw “kids watching cartoons and playing” and that “people were sitting comfortably with food and water in comfortable temperatures.” The reality is that the kids in these detention centers report being held in overcrowded and unsanitary conditions for days on end. Attacks on Mark Kelly

Now I'd like you to read a few statements about the U.S. Senate campaign and afterward ask your opinion...

ROTATE 29 and 30

29. Mark Kelly supports dangerous far left policies that would put the safety of our families and communities at risk. Mark Kelly is supported by extreme liberal groups that want to abolish law enforcement agencies like ICE and defund the police, take away our guns, and open our borders that will cause our communities to slip into lawlessness and chaos. Mark Kelly will be another vote for the Democratic socialist agenda. He is simply too liberal for Arizona. Having read this, do you have any doubts about Democrat Mark Kelly’s positions on the police and immigration?

30. Kelly says he has plans to fix our immigration system but openly supports taxpayer-funded healthcare for illegal immigrants and wants to establish citizenship for illegal immigrants instead of helping American citizens. Mark Kelly’s plans will cost law-abiding Arizonians millions in taxes and will harm the safety of our communities. He is putting illegal immigrants ahead of hard-working Arizona citizens.
